Generous donation provides clients with swing at Ongwanada

Clients can now enjoy a wheelchair swing at Ongwanada thanks to a generous donation from the Royal Canadian Legion. The Legion presented a cheque for sixty-two hundred dollars to Ongwanada on Tuesday to purchase a new wheelchair swing, as well as an electric bed and mattress system. The Legion has been a long-term supporter of Ongwanada, donating almost one hundred thousand dollars over the last fifteen years. Ongwanada is a non-profit organization that provides programs and services to more than six hundred individuals with developmental disabilities and their families in Kingston and eastern Ontario.
