Re: Continued Freeze on Non-Essential Spending Until Budget Balance

Good afternoon,

As we approach the new fiscal year, I wanted to inform you that the previously implemented freeze on non-essential spending will continue until our budget has been balanced. This decision is crucial to ensure our financial stability and to meet our fiscal goals. Departmental budgets will be forth coming.

We appreciate your understanding and cooperation during this period. Your efforts in adhering to these guidelines are vital to our success.

If you have any questions or need further clarification, please do not hesitate to reach out.

Thank you for your continued support.
