Re: Strategic Planning Survey Invitation

Dear all,

We are pleased to invite you to participate in a survey we are conducting as part of Ongwanada's strategic planning process. The purpose of this survey is to learn from the Ongwanada's key stakeholders and partners whose perspectives, like yours, will help us shape our future.

The survey will take approximately 15-20 minutes to complete and will be open until **April 4, 2025**. All feedback will be kept anonymous and managed by [MacPhie](#), a third-party consultancy, whom we have engaged to support our work. Your thoughts and opinions are a valued source of input as we chart our path forward.

Please note that posters with the survey's QR Code will also be placed at homes and various CPS locations.

If you have any questions regarding the nature of the survey or our strategic planning process overall, please do not hesitate to contact Francesco Colosimo from MacPhie (francesco@macphie.ca).

Thank you for your kind consideration of this request and for your support with this important initiative.

Best regards,

Lak Chinta
