# The #TogetherApart Challenge

April 6, 2020

Always wanted to show other homes what you're made of? Here's your chance!

*#TogetherApart*

## Week of April 6th Challenges

To kick off the **#TogetherApart Challenge**, we have 3 tasks for any community residences who would like to participate to complete:

1. Pick a **Team Name** that incorporates the name of the house.
2. **Create a Banner** for your team and send us a pic! Make sure to get everyone involved in this! Include your team name, pictures of some of your favourite things/colours, and anything else. Use whatever you have on hand (cardboard, printer paper, a t-shirt or sheet, etc.). *Be creative!*
3. We miss seeing your smiling faces -- send in a **Team Photo!**

**BONUS POINTS:** We've got spirit, yes we do, we've got spirit, how about you?! Send us lyrics (or better yet a video!) of your **Team Cheer!** It can be as simple or complex as you would like.

Once you have completed *at least* one of the challenges, submit your proof of completion by email to Emily Weatherbed (OT) and Chantelle Carnegie (OT) before April 13th. We will be sharing photos of some of our favourite entries (after checking photo consents of course!).

## Did someone say prizes?

Any home that participates in the weekly challenge has the opportunity to not only win ultimate bragging rights, but also a grand prize! (Don't worry, you don't have to complete all of the challenges to qualify. Just do your best!)
