Re: Director Supportive Living & Specialized Services Appointment

Dear All,

We are excited to welcome Ms. Jill McCreary as the Director of Supportive Living and Specialized Services. With over 10 years of professional leadership experience, including her most recent role managing Operations, Administration, and Innovation at Queen's University Department of Emergency Medicine, Jill brings a wealth of leadership, collaboration, and innovation in business practices, processes, and service models. Additionally, Jill has served on the board of directors at Ongwanada for the past 15 months.

In her new role, Jill will oversee the portfolios of supportive living, including supportive group living, host/supported individual living services, community and recreation services, and specialized services at Ongwanada. She will officially start on November 1, 2024, reporting to the Senior Director of Operations.

I am confident that you will extend a warm welcome to Jill as she embarks on this new journey with us.

Best regards,

Dina Eleslambouly

Senior Director, Operations
