Re: Mr. Robert Seaby

Good afternoon,

I am deeply saddened to share the news of Mr. Seaby's passing on Wednesday, September 25th, 2024. His impact on our organization was profound, and I know many will feel this loss deeply.

Please remember that support is available through the Employee Assistance Program (EAP) at 613-549-5561. You can also reach out to Shannon Pierce, Human Resources Manager, at spierce@ongwanada.com or Karrie Card, Occupational Health, at kcard@ongwanada.com.

The family will be hosting visitations and a service at the end of the month. For complete details, I encourage you to read Mr. Seaby's obituary, which can be found [here](#).

Thank you for your understanding during this difficult time.

Warm regards,

Lak
